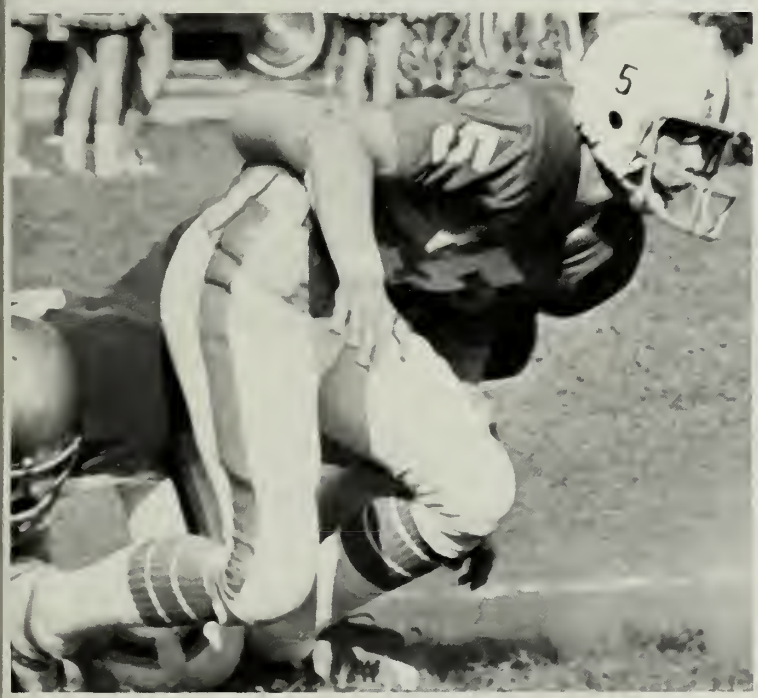
Jim Picciotto Scores First T.D. Of Season

WE'RE NO. 1

Undefeated Season



Gerry LeBranti

The season opener saw Eric Taylor lead the team to a 36-0 VICTORY OVER WINTHROP. Scoring was done by Jim Picciotto, who ran for 3 touchdowns, plus had 2 more called back. Steve Peach and Mike Furey also scored for Saugus while Gary Quinlan, Gerald LeBranti and Mike Furey scored conversions. The excellent work of the offensive linemen was responsible for this offensive attack.

Defensively led by Mike Furey and Eric Taylor, the team allowed Winthrop only one first down. Mike McCarthy, Tim Reardon, and Jim Picciotto recovered fumbles and Mike McCarthy also intercepted a pass. With Gerry LeBranti's quarterbacking, Steve Peach's passes and Fred Penney's cathing them the team saw it's first win. Also Notable was Steve Capozzi's 80 yard kickoff return (which was called back) and Steve Hickman's kicking.

The first real test of the team came with the 27-16 VICTORY OVER EAST LYNN. Scoring for Saugus were Mike Furey and Arthur Combe with one touchdown a piece and Jim Picciotto who scored two touchdowns and a conversion, Steve Hickman also kicked for a point after. Other highlights included a fumble recovery by Eric Taylor and generally consistent team play.

FIRST VICTORY OVER SWAMPSCOTT FOR COACH PETRONE

Led by Mike Furey, who had 3 touchdowns and Jim Picciotto and Gary Quinlan who scored one touchdown each, the SACHEMS DEFEATED SWAMPSCOTT 34-8. Steve Hickman kicked two extra points and Arthur Combe scored two points on a run. Gerry LeBranti threw 5 complete passes and Jim Picciotto threw one complete. The receivers were Furey, Capozzi and Quinlan. Defensive standouts were Gerry LeBranti, Arthur Combe, Steve Thomas and Pete Nicolo. During this, the first victory over Swampscott during the tenure of Coach Petrone, the entire team, including the A and B squads saw action.

Continuing it's winning streak with a 35-8 VICTORY OVER EAST LYNN, the Sachems saw 5 touchdowns scored by Combe, Quinlan, MacKensie, Picciotto and Furey respectively. Points after were scored by Hickman who kicked for the extra point, LeBranti who ran in and MacKensie who caught a pass for the extra points. The offensive line was sparked by Gary Heaney and LeBranti, who completed 5 passes. Defensively led by Combe and Hickman, the team choked off all efforts of East Lynn. Causing fumbles and intercepting passes stopped all but one drive by Lynn. Peach intercepted a pass while Picciotto recovered twice and Thomas recovered once.

Saugus Captures Second Consecutive League Championship

DEFEATING DANVERS 29-0, the entire squad saw action on October 22, 1976. Led by Furey, the offense marched at will and scored. The opening kickoff was returned for a T.D. by Furey and the extra points were taken across by MacKensie on a pass from LeBranti. Other T.D.'s were scored by Combe, MacKensie and LeBranti. Hickman kicked an extra point while Picciotto scored the other 2 points. The defense stopped Danvers cold. With the steady play of Picciotto and the fumble recovery by McCarthy and the interception by Peach the defense did not let Danvers threaten them.

Down by 8 at the half with a score of 14-6, the Sachems demonstrated an almost unbelievable comeback and DEFEATED SALEM 22-14. Scoring for Saugus were Furey with a touchdown and two "points after" scores, and Picciotto with 2 touchdowns. Led by LeBranti and Picciotto, the offense kept coming back despite numerous penalties. The offensive line and especially Combe kept the momentum of the offense alive. The defense, spurred on by Furey and Heaney, and helped by recoveries made by Taylor and Furey as well as a knockdown of crucial pass by Peach played it's best football of the season. Notable is the efforts of Taylor as an offensive blocker and a defensive tackler.

Led by Combe, the team was able to SHUT OUT BEVERLY 14-0 and continue it's unbeaten streak. Scoring for Saugus were Picciotto with 2 touchdowns and Capozzi with a "point after" run. Steve Thomas recovered a fumble and LeBranti and Combe intercepted passes while Hickman sacked the quarterback three times. The defense was tough and allowed little yardage for Beverly.

Clinching at least a tie for the conference championship by DEFEATING GLOUCESTER 18-8 in the toughest game of the season, the Sachems kept their momentum. Scoring early in the game, Picciotto made the score 6-0. But, Gloucester came back to make the score 6-8 at half time. Not until the fourth quarter did Furey, led by a block by Taylor, run 60 yards for a go-ahead score. With an interception by Thomas and another by Thomas and MacKensie, the offense drove for another score by Furey. Defensively, Combe, Spinale, and Hickman led the team in a great job of stopping Gloucester during this holiday game.

With high hopes and concentrated effort the season's closing game saw SAUGUS DEFEAT MARBLEHEAD 25-20 and clinch the SECOND CONSECUTIVE LEAGUE TITLE. Scoring for Saugus were Combe, Quinlan, Capozzi and Picciotto, while Hickman kicked for a point after. The offense overwhelmed Marblehead and was in control for the the first half. Led by Taylor the defense didn't allow a score until late in the last period.

The team was honored on November 24, 1976 at an honors assembly for an outstanding season.

Well Coach what do we do now?

FIELD HOCKEY

The Junior High Girls' Field Hockey Team captured their first Northeastern Conference title during the 1976-1977 season. They were undefeated and only allowed one goal to be scored against them all year.

The team was awesome both on offense and defense. Much of their success can be attributed to the goal tending of Chris DeSantis and to the consistently excellent defensive work of Katie McCormack, Nancy Bromberger and Janice Tilly. Marlene Monto lead all scorers with 8 goals, followed by Marylee Wall, Lynne Coullard and JoAnne Thibault with 3 each. Ellen Emberley had 2 goals while Laureen Alukonis, Cheryl Marotta and Carol Campanile scored one goal each.

Eileen Emberly and Marylee Wall lead the team in assists with 4 each. Carol Campanile, Terry McLaughlin and Karen Emberley each had one assist.

The team and its coach, Mrs. Lentini were honored during an honors assembly on November 24, 1976. During this assembly the team presented an award to Mrs. Lentini for her efforts during the season.

Congratulations, girls and Congratulations, coach.

Although they were one of the smallest teams in the league, the Saugus Frosh showed outstanding teamwork this past season. Many games were either won or lost by a couple of points. During the season the team was aided by the tireless effort of the two managers, Bill Snowdon and Steve Swain.

Five players lead the team in rebounding and they were: Jim Picciotto, Chris MacKensie, Tom Anderson, Gerry LeBranti and Steve Hickman.

Coach Bryan is now looking forward to the next season with the return of many players who, under the coaching of Mr. Flynn, had an outstanding eighth grade season.

The Saugus Junior Hich Hockey team had a note worthy season this year. Under the expert coaching of Mr. Manoogian the team managed to show much promise and above all much team effort. Although the scores don't show an outstanding season, the team played hard and long and fought many close battles with their opponents. If the effort could be counted, this team would be number one in the eyes of the Junior High.

MEMORIES

HAPPY DAYS 1976-1977

As we take a look back, ONE DAY AT A TIME, over our ninth grade year at Belmonte Saugus Junior High School we find many GOOD TIMES to remember.

Our year began during the nations' Bicentennial year on September 8, 1976 when we were bid WELCOME BACK by our teachers. It took a lot of CONCENTRATION by us to get back into the school routine during those warm days in September. With our football, soccer, field hockey and cross country seasons in full swing, an afternoon at school resembled a segment of WIDE WORLD OF SPORTS.

With October came the cold weather and as we bundled ourselves in winter clothes we could only ask: "WHAT'S HAPPENING to autumn?"

The late bell must have rung!

Then came our class elections and we found ourselves wondering whether a SIX MILLION DOLLAR MAN or a WONDER WOMAN would be class president TO TELL THE TRUTH the entire slate of officers was female! In the national elections Jimmy Carter and Walter Mondale were victorious.

We can't forget those eventful days when the ninth grade class sat for pictures. Remember: "Cheese"--"Smile"--"Look at the Birdie"?

Jump, Jump, Jump!

. . . Or can we forget when the yearbook photographer, Harold Zeltsar, was here for our CANDID CAMERA day?

Then came Thanksgiving and the holiday season. Since THE PRICE IS RIGHT, we ordered our yearbooks, class pendants, and pins. UPSTAIRS DOWNSTAIRS, all around the school, you could feel the holiday spirit. The "Twelve Days of Christmas" was depicted on the windows and we saw it in the Lynn Item and Boston Globe. The Music Department was working

Can I look at the keys after the photographer goes, Mrs. Scimone?

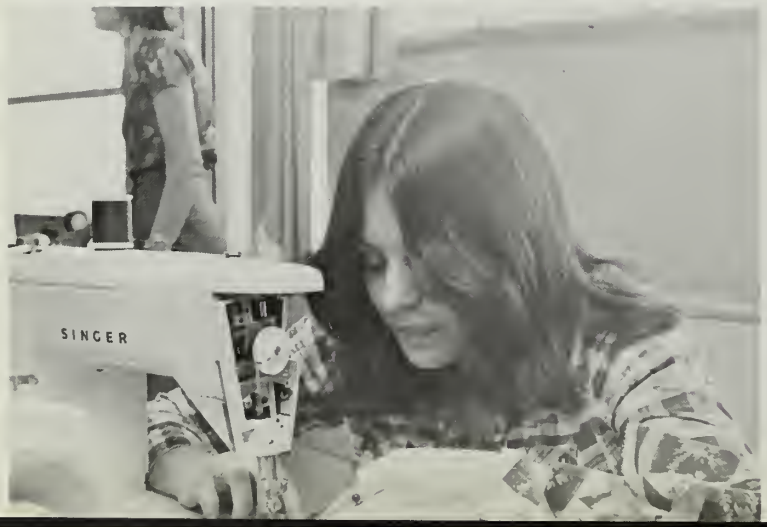
Watch out Dunkin Donuts, here we come!

on the Christmas Concert which we watched and enjoyed as we tried to NAME THAT TUNE in our heads before Mr. Kimmel told it to us. Both THE YOUNG AND THE RESTLESS were counting the days til vacation.

To express our congratulations to the winning teams an assembly was held before Christmas honoring the field hockey team, the cheerleaders and the football team along with the seventh graders who were on FOR KIDS ONLY. During the assembly the whole school joined in in congratulating each member of our school FAMILY who brought us glory.

Our Christmas Vacation brought us our first taste of many more inches of snow to come. We returned to school January 3, 1977.

Can you imagine how long it would take us to carve Mt Rushmore??



We were only back to school for four days before we had another vacation. This time we thanked Mother Nature as we had six days off from school There was hardlay a GOOD DAY during that time. We had ice, rain, snow, sleet and bitter cold. By the time we did get back to school the snow piles were over three feet high. There were times when we felt that our lives were in JEOPARDY just walking down Dow Street because of the ice and ruts--not to mention the wind chill factor which made it feel like-50 degrees.

THE ELECTRIC COMPANY played games with us on January 25th when we arrived at school to find that it resembled THE EDGE OF NIGHT and not 8:15 am. The power outage lasted more than 60 MINUTES and we were finally relieved when our GUIDING LIGHT reappeared.

Everything's under control

Don't hit me--I'll pay the 40¢--I promise.

Our hockey and basketball seasons are now in full swing and we are nearing the middle of term three. It is hard to believe that we will soon be having an another vacation in February!

What do you think? Should I put mustard, ketchup or both??

Munchin' out!

President, Vice President, Secretary. Where's Anita?

As you can probably guess we will not be able to retell the entire year as some has not yet happened. You see we must send the book to the publisher now in order to have it in June. But we will attempt to predict the remainder of the year.

February will find us on a week's vacation. However, prior to this we will be told that we will soon be tenth graders and so Mr. Fraser will tell us about Saugus High Scheduling . Where does time fly? Will we have to schedule ourselves like our sisters

Mr. Tringale, Why aren't you waving too?

Our TimeCapsule Committee: Kelly Wilson, Barbara Cerasuolo, Miss Iengo, Janet Swanson, and Helen Cataldo

It must be Thrusday, the teachers have cheeseburgers!

Quiet at the end of another period six

and brothers did? Is there really an arena for scheduling? Will there be lions in the arena?

Then spring will arrive and we will be through with term three and heading for the end. The weather will be bright and sunny and make up for the dreary winter just passed. It must be true that ALL'S FAIR with the weather.

Spring sports will abound as the tennis courts come alive while the baseball and softball diamonds also show life.

We will soon be counting the days til our ninth grade banquet and the end of our three years at Belmonte Saugus Junior High School.

During this section of Memories we have tried to bring back to you incidents that happened during our ninth grade year and we have also included the names of the television shows that played during this year. Maybe not now, but in a few years when we look back on this and the past three years of junior high, we will be able to definitely say that those were HAPPY DAYS 1976-1977

What a headache I have!
